

MUHAMMAD USMAN SHAMSI

Final-Year Computer Science Student • AI & Full-Stack Developer

Karachi, Pakistan | m.usman.shamsi.pak@gmail.com | github.com/musmanshamsi | linkedin.com/in/musmanshamsi

SUMMARY

Motivated and detail-oriented final-year Computer Science student at Sukkur IBA University with hands-on expertise in Artificial Intelligence, Machine Learning, and Full-Stack Web Development. Proven ability to build intelligent automated systems, real-time trading detection engines, and modern responsive web applications. Seeking an entry-level software engineering or full-stack development role to solve complex problems.

EDUCATION

Sukkur IBA University — BS in Computer Science

2022 — Present

Core Focus: Artificial Intelligence, Machine Learning, Web Development, Database Systems

Sukkur, Pakistan

Superior Group of Colleges — F.Sc (Intermediate)

2020 — 2022

TECHNICAL SKILLS

Languages:	Python, JavaScript (ES6+), TypeScript, Java, SQL, HTML5, CSS3
AI / Machine Learning:	TensorFlow, OpenCV, Scikit-Learn, OpenAI APIs, Computer Vision, LLMs
Web Development:	React.js, Node.js, Express.js, Tailwind CSS, Vite, RESTful APIs, Framer Motion
Databases & Tools:	MySQL, SQLite, PostgreSQL, CCXT API, Git, GitHub, Linux, VS Code

FEATURED PROJECTS

ArbitrageBot — AI-Powered Cryptocurrency Arbitrage Detection System

Final Year Project

- Architected a real-time cross-exchange & triangular arbitrage platform integrating CCXT connectors and TensorFlow ML models.
- Integrated OpenAI API for natural language market insights & automated opportunity scoring.
- Built a responsive React.js live monitoring dashboard backed by Python & SQLite. Accepted & presented at iCOMET 2026 conference.

Osteria Restaurant Web Application

Full-Stack Web App

- Developed an interactive online restaurant web application with custom cart management and dynamic menu filtering.
- Implemented seamless state management using modern JavaScript, React, and CSS animations.

Interactive Personal Portfolio Platform

Frontend Web App

- Designed a modern SPA with React 19, TypeScript, Framer Motion, and Tailwind CSS featuring interactive section stages.
- Built live appointment scheduling and direct inquiry submission system with local storage persistence.

EXPERIENCE & ACHIEVEMENTS

- Language Instructor & Mentor:** Taught English communication, public speaking, and logic building skills to students.
- Exhibitor at iCOMET 2026:** Successfully showcased the ArbitrageBot project to academic researchers and industry experts.
- Creative Edge:** Published novella writer and stand-up comedy performer — bringing exceptional empathy and presentation skills to tech teams.
